Fact Sheet

GENERAL DATA PROTECTION REGULATION (GDPR)

STEADFAST VOCATIONAL TRAINING

Overview

This training simplifies the complexities of GDPR, helping learners understand its key principles and how to apply them in the workplace. By building confidence in compliance, it supports organisations in reducing the risk of fines, penalties, and reputational damage.

Duration:
30 Minutes

Assessment:
Multiple-choice questions

Price:
£5.00

Certificate:
Yes – Highfield Completion Certificate

Areas covered

- What is data?
- The GDPR and data collection
- Requesting individuals' consent
- The GDPR and data processing principles
- The GDPR and individuals' rights
- Subject access requests
- The GDPR requirements for your organisation

- Data breaches and penalties

Who is it aimed at?

This online training is ideal for anyone who handles personal or sensitive data, as well as their managers. It is particularly valuable for individuals who manage, maintain, or access databases and need a solid understanding of GDPR compliance.
