

Fact Sheet

HEALTH AND SAFETY WITHIN A CONSTRUCTION ENVIRONMENT LEVEL 1

Overview

Start building a safer future with a Level 1 Health and Safety in a Construction Environment e-learning course. Learners will explore the legal duties and responsibilities of construction operatives, covering health, welfare, and general safety to help maintain a safe workplace. To earn the Level 1 Award in Health and Safety within a Construction Environment (RQF) qualification—which is required for a CSCS card—learners must complete an exam through a recognised training provider. **Please note, the exam is not included in this online course and must be booked separately.**

Duration:
4-6 Hours

Assessment:
Multiple-Choice
Questions

Price:
£15.00
