

Fact Sheet

PAEDIATRIC FIRST AID

Overview

Anyone acting as a first-aider for children must hold a suitable first aid qualification that reflects the ages of the children in their care. This Paediatric First Aid e-learning course provides learners with essential online training in paediatric first aid and contributes towards the requirements for achieving the Level 3 Award in Paediatric First Aid (RQF).

Duration:
6 - 8 hours

Assessment:
Multiple-choice
questions

Price:
£7.50

Certificate:
Yes – Highfield
Completion Certificate

Areas covered

- Roles and responsibilities of a paediatric first-aider
- Assessing an emergency situation
- Providing first aid to an infant or child who is unresponsive, choking or has external bleeding
- Providing first aid to an infant or a child with a suspected bone fracture or dislocation; head, neck or back injury
- An infant or a child with a condition that affects the ears, eyes and nose; burns or scalds; an acute medical condition or sudden illness; a minor injury; shock
- An infant or a child experiencing the effects of extreme heat or cold
- An infant or child who has sustained an electric shock or been poisoned
